

Haiti Relief Efforts

Help us at Kings Plaza support the friends and families of our local Haitian Community in this time of great need.

- Drop off your contributions of good usable shoes at the Customer Service Counter or Security Office at the mall and with our partners at the Batey Relief Alliance we'll make sure they get to Haiti.
- We are planning a Blood Drive with our partners at the NY Blood Center and Local 1199 Health Care Workers (Brooklyn) specifically for the Haitian Relief Effort. Check our web site www.kingsplazaonline.com for date and location.
- Also remember that the Red Cross has made it easy for you to make a financial contribution to the relief effort. TEXT "HAITI" to 90999 to donate \$10.00 or go to www.redcross.org to contribute.
